

Application Requirements for the Ritsumeikan Asia Pacific University Domestic Student Dormitory Fee Reduction System

July 2022

Ritsumeikan Asia Pacific University Admissions Office

The “Domestic Student Dormitory Fee Reduction System” is a system with the objective of providing post-enrollment financial aid to those who apply to APU and who wish to move into AP House (international education dormitory). Individuals may apply after applying for admission as well as prior to applying for the dormitory.

1. System Overview

- **Details of Assistance:** Half of the monthly dormitory fee for AP House for 11 months will be exempted.
- **Eligible for Assistance:** Sixty (60) individuals moving into AP House who have taken the AY2023 domestic first-year student entrance examination and have been accepted.

2. Application Qualifications

Applied for the Japan Student Services Organization Benefit Scholarship Reservation Program and in receipt of a “Notification of Decision for Candidate Awarded a University Scholarship for AY2023 [Reiwa 5]”

3. How to Apply:

Please submit the designated application documents during the designated period by postal mail (express/simple registered mail).

fill in even if they are divorced or bereaved. For family members other than the student, please indicate marking “○” whether they live with the applicant or live separately.

(9) Date: Date of application

(10) Signature: Signature and Seal

4. Selection

Selection will be carried out, not to exceed the number of available slots, using the order of the Japan Student Services Organization Benefit Scholarship support categories (Type I–Type III). Note: we may not be able to make awards to all benefit scholarship recipients.

Furthermore, application and/or selection for a dormitory fee reduction does not have any bearing whatsoever on acceptance for admission to the university.

5. Notification of Award Results

The Notification of Award Results will be mailed to all applicants in late February 2023. We are unable to respond to individual inquiries regarding award results.

Also, additional awardees may be announced in the event vacancies arise in connection with the status of applications and/or enrollment procedures. Should that be the case, the APU Admissions Office will contact the relevant individuals starting March 2, 2023.

6. Notes

- (1) Awardees can receive aid from this system only if they are admitted to APU through the AY2023 domestic admissions process and enroll.
- (2) Awardees must commit to completing the full term of stay in the dormitory and not move out part-way through.
- (3) The dormitory fee reduction will continue even if the aid category changes as a result of the certification of eligibility related to the benefit scholarship (to be implemented around October 2023) that occurs after enrollment.
- (4) Additionally, when any of the following applies to an awardee, the reduction will terminate at that time.
 - ① Loss of student status.
 - ② On a leave of absence (although, in some cases, if a student re-enrolls the reduction may be resumed).
 - ③ Subject to disciplinary action according to Subject to disciplinary action according to the Ritsumeikan Asia Pacific University Regulation Article 32-3, Paragraph 1.
 - ④ Has violated the Regulations for the Usage of AP House

- ⑤ Dean of Student Affairs has judged the awardee is no longer suitable as an individual eligible to receive assistance

Handling of Applicant Personal Information

Personal information obtained from applicants during the selection process will be handled as follows.

(1) Purposes of Use

- Selecting awardees
- Notification of award results
- Preparing statistical data

(2) Management of Personal Information

The personal information of applicants will be properly managed in accordance with the laws and regulations concerning the Protection of Personal Information to prevent any omissions, losses, damages, etc.

(3) Outsourcing of Work Involving the Provision of Personal Information

We may outsource a part of our operations, including the handling of personal data, to an outside business entity after concluding an agreement on the appropriate handling of personal information.

(4) Statistical Data on Selection

After various statistical processes have been performed, personal information obtained from applicants will be used as material for future surveys and research, and also in publishing information for prospective students. Furthermore, the statistical materials published will be processed in such a way that individuals cannot be identified or specified.
